MEMORANDUM FOR: Major General Charles L. Decker
 Judge Advocate General of the Army
 Department of the Army
 Washington 25, D. C.

SUBJECT: Request for the Services of a Trial Attorney in Connection with an Appeal before the Armed Services Board of Contract Appeals in the Case of [redacted]

STAT

1. The purpose of this memorandum is to request that the Judge Advocate General of the Army assist this Agency by assigning a trial attorney for the presentation of the Agency's case in connection with an appeal to be heard by the Armed Services Board of Contract Appeals.

2. It is my understanding that subject to your approval, pertinent details have already been discussed by Col. E. P. Snyder, Chief Trial Attorney of your office, and [redacted], Assistant General Counsel of this Agency. Because of the extreme infrequency with which the Agency is involved with contract appeals, it has no personnel such as yours who are experienced in the presentation of cases before the Board.

STAT

3. For your information, by letter of 3 August 1963 Hon. Thomas D. Morris, Assistant Secretary of Defense (Installations and Logistics), acceded to our request for the assistance of the Armed Services Board of Contract Appeals in hearing the appeal in connection with the case referred to above.

4. Your assistance in this matter will be greatly appreciated.
 * Reimbursement will, of course, be provided by the Central Intelligence Agency.

* Ted whole sale please! we're
 still classmates I hope - [redacted]

MEMORANDUM FOR: Deputy Director of Central Intelligence

SUBJECT: Request for Army JAG to Assign Trial Attorney
to Handle [REDACTED]
Case before the Armed Services Board of
Contract Appeals

STAT

1. This memorandum contains a recommendation in paragraph 3 for the Deputy Director of Central Intelligence.

2. It was originally understood that the Armed Services Board of Contract Appeals would take complete charge of the case, the handling of which was approved by Hon. Thomas D. Morris, Assistant Secretary of Defense (Installations and Logistics). The Vice Chairman of the Board now informally advises we must provide our own legal representation before the Board. The Office of the Army JAG advises on informal contact that they have available experienced, cleared trial attorneys and will be happy to assist but feel there should be documentation for the record to authorize them to represent the Agency. With this I concur.

3. Accordingly, it is recommended that you sign the attached memorandum to General Decker asking that a trial attorney be assigned to the subject case.
